

LOW VOLTAGE COMMUNICATIONS SERVICES

Throughout the entire St. Louis Missouri area

CAPABILITIES STATEMENT

AVID ELECTRIC AND COMMUNICATION is a family owned and operated low-voltage communications company offering commercial fire alarm systems, security systems, and data network. We offer services for business and commercial facilities to ensure proper safety, security, and communication. Our consultative approach and in-depth knowledge set us apart as a premier communications company in St. Louis. Avid Electric is proudly certified as both a Women Business Enterprise (WBE) and a Minority Business Enterprise (MBE). Our services are fully licensed, insured, and bonded, backed by decades of professional experience. We proudly serve St. Louis and surrounding counties. State-wide inquiries are welcome.
