

# LOW VOLTAGE COMMUNICATIONS SERVICES

Throughout the entire St. Louis Missouri area

## We Help You Grow Your Business

---

Avid Electric and Communication, proud to serve the entire St. Louis Missouri area, is backed by skill, training and experience. We are a woman-minority owned and operated low-voltage communications company that caters to business and commercial facilities to ensure proper safety and communication. Offering fire alarm, security, access control and custom AV equipment systems, our signature White Glove Service means we go the extra mile for all our clients with high-quality attention to detail.

### Access Control Systems

Avid Electric & Communication provides all the access control equipment you need to keep your business safe and efficient, from card readers and mag locks to door strikes and request to exit devices.

### Fire Alarm Systems

We design, install, monitor, and inspect fire alarm systems of all kinds. Whether you need a new system installed, an addition or update to your existing alarm, we can meet your needs.

### Security Systems

We offer cutting-edge security technology, from IP security cameras to video surveillance, utilizing an integrated network of services that provides electronic protection of assets and employees.
